

# Dysangelium Band Introduction

**Dysangelium** is a Czech death metal band formed in 2011 in Pardubice and Jaroměř. Renowned for their relentless old-school death metal sound, the band has built a strong reputation in the European extreme metal scene. Throughout their career, Dysangelium has released several full-length albums, including:

- Maniachrist (2012)
- Holykaust (2014)
- Mohamord (2019)
- and their latest offering Jonestown (2024).

Known for their intense live performances, Dysangelium has played numerous shows across Europe and performed at major festivals such as **Brutal Assault** (Czech Republic), **Czech Death Fest** (Czech Republic), and **Gothoom Festival** (Slovakia). In 2025, the band completed a **10-day European tour** alongside Angelcrypt (Malta). In previous years, Dysangelium had the honor of sharing the stage with iconic bands such as Destruction, Avulsed, Rotting Christ, Skeletal Remains, and many others.

Despite several lineup changes over the years, core members Ctibor (drums) and Nekro (vocals) have remained at the helm, ensuring the band's uncompromising and powerful sound remains intact. The current lineup is completed by Pavel (guitar) and Jakub (bass), contributing to the band's dynamic and aggressive sonic assault.
